"I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me."

Matt. 25:40

"We make a living by what we get; we make a life by what we give."

Winston Churchill

Churches, civic organizations, business groups and schools can help when they:

Adopt A Cottage*

This can be a year-round opportunity to get involved in the lives of our children and the family that loves them. It doesn't take much time but it does take a big heart. Monthly events, birthdays and special outings are some of the activities that will help us change these young lives for the better.

Adopt A Child*

Many of children arrive on campus lacking the resources necessary to enjoy a normal life. Providing basic supplies like: clothing, school supplies, toys and personal items lift their spirits, change their perspective and offer them hope.

Special Events

These children should enjoy the same wonderful moments all children eagerly anticipate: Valentine's Day, Easter, 4th of July, Thanksgiving and Christmas. Presenting gift baskets, meals and memorable trips are vital in making their lives normal.

*requires on-site orientation
