### Want to Be a Hero?

#### Volunteer Opportunities for Individuals

**“Don't ask what the world needs. Ask what makes you come alive, and go do it. Because what the world needs is people who have come alive.”**

Howard Thurman

**“I tell you the truth, whatever you did for one of the least of these brothers of mine, you did for me.”**

Matt. 25:40

Volunteers are needed to fill a variety of roles:

#### **Academic Tutoring/Mentoring\***

Many children need special attention to achieve success in the classroom. Most tutoring sessions will be after school or early evening. Mentoring opportunities are also available for after school and weekends, based on a child's schedule and their individual home's calendar.

#### **Special Events**

The success of any event is determined by the level of volunteer support both before and after any function. Personal invitations, decorations, registrations, scheduling staff and event staffing are just some of the possible needs.

#### **Special Skills\***

Carpentry, plumbing, computers, data entry, photography and telephone skills are a few of the possible needs necessary to teach our children a special skill, support our office staff or provide a needed boost to our maintenance staff.
